Preferences

For an additional \$18-\$22, would you like your cat to receive a bath during their stay?

YES

NO

Please Read and Sign Below

- All pets must be current on all required vaccinations. If we are unable to verify proof of vaccination, my pet will be vaccinated while here at my expense.
- All pets will be checked for external parasites (fleas/ticks) at the time of check-in. If pets are determined to have external parasites, they will be treated at the owner's expense.
- All pets staying in the Pet Resort receive a complimentary Capstar flea treatment with their stay.
- I understand that if a bath or pet-a-cure becomes too traumatic for my pet, the Resort will not be able to provide that service.
- In the case of an after-hours emergency, pets will be transported to Pet's Emergency at Northwood Animal Hospital for treatment.
- I understand that full payment is required at the time of check-out. I understand that abandonment does not relieve me of financial responsibility. Payment options include the following; Visa, MasterCard, Discover, Debit Cards, Care Credit, Check (with a valid/present driver's license), and Cash.
- I understand that if I am unable to pick up my pet upon their scheduled checkout date by 6p.m., I will be charged for an additional overnight stay and will be allowed to pick up at opening (7a.m.) the following day.
- Additionally, I understand that if I am unable to pick my pet up at the scheduled time, my pet will be transferred to traditional kennel boarding to accommodate scheduled incoming guests.
- I understand that if my pet is excessively destructive that he or she may be moved to a traditional boarding kennel.
- I understand that if my pet requires medication administration during a stay, I will be charged a fee of **\$3.50 per day**.
